Program Membership 2014
COUNTRYSIDE YMCA | LEBANON

PROGRAM MEMBERSHIP

A Program Membership is for those who want to enroll in a particular class or program, such as swim lessons, youth sports, or dance lessons, and do not wish to have full access to the Y facility. General usage of the Y facility is not included. An annual fee is required for a Program Membership. Additional fees apply per class or program.

Program Membership Pricing for 2014:

Individual	\$25.00
Family	\$36.00

HOW IT WORKS

When you join as a Program Member, you (and your family) will be issued blue membership cards. These cards must be scanned at the entry door every time you come to class. You have access to the building 30 minutes prior to class start time. Use of the general facility is for full members only. As a program member, you do not have access to any areas of the Y not directly involved in your current class.

Your Program Membership is valid for 1 year from the date of purchase.

Registration for classes or programs is an additional fee listed as the "PM" pricing. Program Members usually begin registration on the Wednesday of registration week starting at 8:30a.m. Please check our website for most current dates and times. When you are active in our system, you may register online with a credit card at www.countrysideymca.org or you may register at our front desk in person. Payment may be made by cash, check or major credit card.

OPTIONS

As a Program Member, you are allowed to use our Child Watch facility while you are taking a class, depending on availability. The Child Watch rate for Program Members is \$5.00 per hour per child. There is a 2-hour maximum time limit for all membership levels.

At any time you may choose to convert to a full membership at Countryside YMCA by stopping by our Welcome Center. If you have any questions or need more information, please feel free visit our website or give us a call at 513 932 1424 ext 184.

If you've been thinking that you cannot afford to be part of the Y, think again! At Countryside YMCA, we welcome everyone's involvement by providing financial assistance to subsidize memberships or classes for eligible families or individuals. Our mission is to put Christian principles into practice building healthy spirit, mind, and body for all, and we take that seriously.

For more information on financial assistance, please contact Denise Evans at 513 932 1424 ext 170.
